MS TIMBER DOORS

Doors for all sectors of the trade
and retail market

Belfast based Timber Agents and Brokers throughout Ireland/UK serving importers throughout Ireland and UK. Representing leading manufacturers in South America, China, South East Asia and Europe our strengths lie in sheet materials and softwoods for construction/joinery, internal doors, UK fire rated door blanks and mouldings. We are pleased to offer a door to door service if required and a full range of financial services to our customers.

Based in both Belfast and Dublin M.S. Timber has become established as one of the leading suppliers of sheet materials, doors and timber products to importers in the Irish market. Initially specialising in the sourcing and supply of softwood from Scandinavia and the Baltics for construction purposes, the company has used its expertise in commerce, timber Logistics to develop the range of products which it can offer to include sheet materials, doors, mouldings and landscaping products. These products are sourced worldwide.
